

## SUSTAINABILITY MINOR

### REQUIRED COURSE

ENSC 10143	Contemporary Environmental issues* *If this course is required for the student's major or minor, an additional course from those listed below may be substituted.
------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------

### ELECTIVES

**Choose 1 from SOCIAL SCIENCES AND HUMANITIES and 1 from NATURAL SCIENCES and 3 other courses from any group with no more than 2 from one department (may have a total of 3 from ENSC due to required course)**

### SOCIAL SCIENCES AND HUMANITIES

#### ANTHROPOLOGY

ANTH 30663	Food Justice (no prereqs)
ANTH 30743	Animals, Religion, and Culture (no prereqs)
ANTH 30783	Anthropological approaches to Nature and the Sacred (no prereqs)
ANTH 30823	Native American Religions and Ecology (no prereqs)
ANTH 40433	Transnational Processes: Globalization, Migrations, and Borders (Prereq: Junior standing or permission of instructor)

#### ECONOMICS

ECON 40970*	Environmental Economics (new course being taught Fall 2016; prereq C or better in ECON 10223)
-------------	-----------------------------------------------------------------------------------------------

\*also on Energy Minor

ECON 40970	Natural Resource and Energy Economics (new course being taught Fall 2016; prereq C or better in ECON 10223)
------------	-------------------------------------------------------------------------------------------------------------

#### ENGLISH

ENGL 30153	Nature Writing (Prerequisites: ENGL 10803, ENGL 20803, and at least one additional 10000- or 20000-level ENGL/WRIT course)
------------	----------------------------------------------------------------------------------------------------------------------------

#### HISTORY

HIST 40853	American Environmental History (no prereqs)
------------	---------------------------------------------

#### PHILOSOPHY

PHIL 30403	Environmental Philosophy (Any 10000-level course in Philosophy or HHIT 20123)
------------	-------------------------------------------------------------------------------

#### POLITICAL SCIENCE

POSC 33133	Energy and Global Geostrategy (upper division standing)
------------	---------------------------------------------------------

## **RELIGION**

RELI 30783 Religion and Environmental Ethics (no prereqs)

## **SOCIOLOGY**

SOCI 20223 Social Problems (no prereqs)

SOCI 30233 Sustainability: Environmental, Social, and Economic Issues (no prereqs)

SOCI 30253 Environmental Sociology (no prereqs)

SOCI 40303 Animals, Culture, and Society (no prereqs)

## **THE NATURAL SCIENCES**

### **BIOLOGY**

BIOL 30403 Ecology and the Environment (Prerequisites: BIOL 10501, 10503, 10511, and 10513)

BIOL 40353 Wildlife Ecology and Management (Six semester hours in Biology)

### **ENGINEERING**

ENGR 30113\* Energy in Society (junior standing or permission of instructor)

\*also on Energy Minor

### **ENV SCIENCE**

ENSC 30133 Concepts in Environmental Science (CHEM 10113 or concurrent enrollment, and an introductory Biology course)

ENSC 30313 Environmental Issues in Costa Rica (no prereqs; Study Abroad)

ENSC 30453 Wildlife Research Project (Six semester hours in Biology and permission of instructor)

ENSC 40193 Environmental Stewardship Seminar (no prereqs)

ENSC 40603 Biodiversity and Human Development in South Africa (junior standing)

ENSC 50233 Urban Wildlife (one semester of biology and junior or higher standing)

ENSC 50333 Energy Development and Wildlife (Three semester hours of biology)

ENSC 50703 Environmental Compliance (major field of study within the College of Science & Engineering with 60 hours of coursework completed; or graduate enrollment in SGEE; or permission of instructor)

ENSC 50753 Environmental Management Systems (ENSC 50703, and

major field of study within the College of Science & Engineering with 60 hours of coursework completed; or graduate enrollment in SGEE; or permission of instructor)

ENSC 50793 Concepts in Environmental Sustainability (no prereqs)

### **NUTRITION**

NTDT 20113 Issues of Food in Society (no prereqs)

NTDT 30993 A Global Perspective in Food Insecurity (no prereqs; Study Abroad)

### **OTHER DISCIPLINES**

#### **RANCH MAN.**

RAMA 20103 Challenges of Global Food Production

#### **BUSINESS**

MANA 30773\* Entrepreneurship and Energy

\*also on Energy Minor
